The GAA-SC Board of Directors are currently working on the spring 2024 2-day GAA-SC Summit. GAA-SC is a group of local government GIS & IT administrators. These meetings provide a great opportunity for members to meet to discuss various challenging topics while celebrating accomplished goals. We individually and collectively discuss and look at what might be coming in the future and most of all network with each other.

As part of GAA-SC 2024 Spring Summit, we are offering the following vendor sponsorship opportunities:

\$850 – Silver Level Sponsorship

- Name listed on agenda
- 1 – event registration
- 10-15 min vendor presentation
- Networking with GIS & IT administrators from across SC

\$1,200 – Gold Level Sponsorship

- All Silver level items plus
- Additional event registration (2 total)
- Name and logo on posters through-out event venue

These sponsorship funds aid in off-setting the cost of meeting materials, meals, breaks and evening networking event.
